

Appian Euro Liquidity Fund

July 2022

The Appian Euro Liquidity Fund (the Fund) is an active fund which primarily invests in cash deposits but may also invest in short-dated government debt, corporate debt and Floating-Rate Notes (FRNs). Capital preservation with appropriate levels of return is the objective of the Fund.

Detailed due diligence and credit analysis are completed prior to any investment. Diversification of risk is achieved using different instruments and institutions.

Fund objective

The Fund seeks to provide liquidity and a moderate rate of income, to the extent consistent with the preservation of capital. The Fund seeks to achieve its investment objective by investing on a diversified basis in deposits and debt securities.
